Miss Mary Carson a student at the high school here, one of the attractive daughters of our countyman, C. E. Carson, was united in marriage Monday at the Presbyterian Manse to David Cawthorn. The happy pair is now at home on Appomattox river, the home of the groom. Best wishes.

Two marriages were celebrated recently at Baptist parsonage by Rev. H. Parlett East. Both ceremonies were solemnized by the use of the wedding ring. Mr. Charles G. Springer and Miss Kate Price attended by a large number of friends were married on Saturday. They left immediately for Detroit Michigan, where Mr. Springer is employed. On Monday morning Mr. Robert Bruce Gibson and Miss Porter Lee Wampler both of West Virginia, were married and left immediately on their wedding tour.

Miss Lougenia Patteson and Mr Lewis Doss took themselves to Altavista Saturday where they were married. They are Appomattox citizens and will remain with us. The bride is a young woman of many aimable traite, and a character unsurpassed by any. She is an employee of this office and her service and association has been a blessing to the office and we are delighted that she will remain with us. The groom is a splendid young man trustworthy and frugal and is counted among the esteemed employees of the N. & W. Ry It's a good match, and we shall watch their career with interest.

Despite the rain which fell on Saturday night October 14th, there was given a box supper at Liberty Chapel school. The proceeds of which were to be used to defray the expense caused to school by the Appomattox Fair. For this purpose nineteen dollars was cleared. On the same night a community League was organized and the following officers elected: Mr. Monroe Garrett president, Mr. Kinkle Martin vice-president, Miss Thelma Hammersley secretary, Miss Mabel Adams treasurer. After discussing the plans for futtre work of the organization the meeting adjourned to meet on Friday, Oct. 27th, at 3:30 at Liberty Chapel scoool. The teachers were so much encouraged by the interest shown.

We regret to learn that Miss Adams, primary teacher at Liberty Chapel school, severely sprained her ankle Dr. Christian attended her.

The "Wildway Hunt Club" is preparing to make the foxes live hard this winter. It has a fine pack of hounds including some young "walkers" who have already shown their mettle. It has already bagged two foxes.

We are glad to note that Liberty Chapel school is to be represented at the Fair this year. This looks progressive.

It looks very much as if we were going to have another war despite the fact that millions of our young manhood gave their lives to make the world safe for democracy:

Ages we tried the way of sword
And earth is weary of hostile hordes;
Comrades, read His word again
They are the only hope for men
Love, and not hate must come to birth
Christ and not Cain shall rule the earth.

Tragic Death

On the afternoon of October 8th, at 2.30 o'clock all that was mortal of Paul Booker Rosser was laid to rest in the family square at Spring Creek church. This young man was twenty one years of age and the son of Mrs. Frances A. and the late B. T. Rosser. The deceased held a position in Farmville at the time of his death which was instantaneous and tragic being caused by an electric wire on high voltage.

A large concourse of friends and loved ones gathered at his final resting place to pay their tribute of respect to his memory. Rev. Mr. Duling conducted the service and his prayer for comfort of the stricken family was very touching Many and beautiful were the floral tributes. We of the community wish to express our tenderest sympathy to the broken hearted mother, brothers and sisters and friends through the medium of the Times Virginian.

BAPTISTS REPORT $35,000,000 CASH

CAMPAIGN HAS MADE POSSIBLE VAST ENLARGEMENT OF EVERY PHASE OF GENERAL WORK

GAIN 500,000 NEW MEMBERS

Effort Will Be Made to Enlist These and All Other Baptists in Share in Forward Movement During November

Total cash collections on the Baptist 75 Million Campaign up to May 1, 1922, had reached the sum of $35,152,211.69, according to the general Campaign headquarters. This represents an advance of nearly $20,000,000 over what Southern Baptists did for their general missionary, educational

DR. L. R. SCARBOROUGH
General Director Baptist 75 Million Campaign.

and benevolent work for the three years preceding the Campaign.

The contribution of larger gifts to religious work has been accompanied by larger spiritual results in the local churches, it is pointed out. For instance, Southern Baptists baptized 150,000 more converts during the first three years of the Campaign than they did in the three years before, gained 3,000 new Sunday schools and 400,000 new pupils, enhanced the value of their local church property by $33,000,000, enlarged their contributions to local causes by $22,200,000, and increased their contributions to all causes by $43,480,490.

Baptist Institutions Grow

Some other phases of denominational progress made possible by the Campaign include increasing the number of Baptist hospitals in the South from 12 to 19, with three others under construction and four more definitely planned; strengthening of 17 Baptist orphanages and the establishment of two new ones, lifting $3,000,000 indebtedness on 119 Baptist schools, colleges and seminaries, completion and projection of permanent improvements there in the sum of $4,000,000, and the addition of substantial sums to the endowment funds. Over 2,500 ministerial students are enrolled at Southern Baptist schools.

Church Loan Fund Raised

Among the outstanding accomplishments in the work of the Home Mission Board are the aiding of 1,000 churches in building new houses of worship, the completion of the million-dollar Church Building Loan Fund, strengthening the work among the foreigners and Indians and the 33 Mountain mission schools. The Board has employed an average of 1,495 workers during the Campaign and reports for that period 134,832 baptisms, 218,371 additions to churches, 2,276 Sunday schools and 759 churches organized, and 1,409 houses of worship built or repaired.

On the foreign fields the equipment for mission work has been practically doubled, more than 250 new foreign missionares have been sent out, more than 400 new native workers have been employed, and the Board has entered the new fields of Spain, Jugo-Slavia, Hungary, Roumania, Southern Russia, Palestine and Siberia. The Board reports for the period of the Campaign 117 new churches on the foreign fields, 21,723 baptisms, 211 new Sunday schools, gain of 17,576 pupils, native contributions of $1,003,269.68, and 529,642 treatments administered by medical missionaries.

Another result of the Campaign is that the Relief and Annuity Board, which is seeking to care for the aged dependent ministers and their families, has been enabled to double the number of such persons helped and the amount that is given these beneficiaries. Last year the Board was able to dispense $128,968 among needy ministers. It has invested assets of $1,149,088.

Receive 500,000 New Members

More than 500,000 new members have been received into the local Baptist churches of the South since the Campaign began, and in the hope of enlisting all these in the Campaign, as well as reaching the older members of the churches who have not shared in the forward movement heretofore, the month of November 5-December 3 has been designated as Re-enforcement Month by the Campaign Conservation Commission. During this month it is planned that every Baptist church in the South will call upon all its members who are not already participating in the Campaign and secure subscriptions from them covering the two remaining years of the movement, and cash offerings to the Campaign from all the members. Dr. L. R. Scarborough, of Fort Worth, Texas, who was general director of the original Campaign, has been elected to serve in that capacity for the Re-enforcement program, although the details are being worked out in the various states under the leadership of the secretaries of the state mission boards. It is hoped to secure several million dollars in additional subscriptions and several million in cash as well by December 1.

"Built Me Up"

"I USED Cardui for years and it did me more good than any medicine I ever used," writes Mrs. M. C. Ragsdale, of Fort Towson, Okla. "I used to suffer with womanly trouble that weakened me until I was a mere shadow, nervous, and could not sleep. I did not feel like I could live.

"It seemed that nothing helped me till I heard of Cardui and began to use it. It strengthened me and, as 'twas recommended to do, it regulated and built me up till I was like another woman."

If you are weak, run-down and feel that you need a tonic, take Cardui, the woman's tonic, the tonic about which you have always heard, the tonic that helps weak women regain their strength.

Cardui acts on the womanly system and helps relieve pain and discomfort due to female ailments.
